

TOWN OF FOUNTAIN PRAIRIE  
Monthly Board Meeting Minutes  
July 28, 2019

The regular monthly Board meeting of the Town of Fountain Prairie was called to order by Steve Jacob, temporary chairman, at 6:00 pm. Prior to the meeting being called to order a motion was made by David Liebenthal with a second from Dale Firary to nominate Steve Jacob as temporary Chairman for this meeting. Town Board members present: Steve Jacob, Dale Firary, Bill Gretzinger and David Liebenthal. Others present: Evan and Lindsey Ehlers, Jeff Bradley and Henning, Clerk/Treasurer.

Motion by David Liebenthal with a second from Dale Firary to move forward on the agenda item #5, Johnson Road speed limit.

Evan and Lindsey Ehlers and Jeff Bradley were present to ask the Board to consider lowering the speed limit on Johnson Road. They stated that there are a lot more children in the homes now on Johnson Road. It is becoming a safety issue as many of the Fall River residents use Johnson Road to leave the Village and come home after work. So traffic on Johnson Road has increased. After some discussion, motion by Steve Jacob with a second by Dale Firary to lower the speed limit on Johnson Road to 35 mph. On a tie vote, the motion failed.

Chairman Huebner arrived.

Motion by Ron Huebner with a second by Bill Gretzinger to discuss this more with the County and table the issue until next month. Their were 3 no votes and 2 yes votes.

### **NEW BUSINESS/REPORTS:**

Supervisor Liebenthal, Fall River Fire Group – there is a meeting scheduled for August. Columbus EMS will meet again in September. The Fire Group is asking for \$131,992.00 for new SCBA tanks and equipment. The Board had many questions. There was only one bid. Does all the equipment need to be purchased at one time? Does every firefighter go into a fire at the same time? Why does every firefighter need a tank? David Liebenthal will ask some of these questions at the next meeting.

Supervisor Gretzinger, Jacob & Firary, Planning Commission. No new projects.

Supervisor Firary, Lazy Lake Management District – Next meeting is in September. Resort Park – the dumpster seems to be working well. Still need to determine how much gravel is needed for a parking area.

Supervisor Jacob, Permits/Licenses & Doylestown Recycling – nothing new.

Still no clear answer whether trees that were cut down need to be sprayed, but some of the trees have new sprouts growing.

LP gas contract with Insight – Motion by Ron Huebner with a second from Bill Gretzinger to approve of the LP gas contract with FS Insight at \$1.199/gallon.
