Lifestar responded to 54 911 calls this month that were paged out via Columbia County Dispatch. Lifestar was requested to respond for auto ALS with Cambria EMS and Rio EMS as well as providing a paramedic intercept with Pardeeville EMS.

Below is the monthly breakdown by municipality:

- City of Columbus – 24
- Village of Fall River – 7
- Town of Calamus – 0
- Town of Columbus – 4
- Town of Elba – 9
- Town of Fountain Prairie – 1
- Town of Hampden – 1
- Town of Portland – 2
- Town of Otsego – 1
- Town of York – 2

Lifestar failed to meet the response guidelines on three separate 911 calls for the month of April. On 4/10, Lifestar responded into the Town of Portland and given the distance to travel and the request for no lights and siren the time guidelines were not met. On 4/20, Lifestar was requested to respond into the City of Columbus for an EMS call. COSO Dispatch had given the responding ambulance the wrong address which caused a delay in response time. On 4/24, Lifestar was requested to respond into the City of Columbus for an unknown problem. There was a separate EMS request two minutes prior which was covered by a Lifestar ambulance. The second Lifestar ambulance was returning from a transfer to Madison and was able to respond to the second 911 call with some delay given their location south of Columbus. On 4/6, mutual aid was requested from Beaver Dam EMS due to call volume for an EMS call in the City of Columbus. Lifestar also provided lengthy stand-by coverage for the tactical incident that occurred in the City of Columbus on 4/29.
