TOWN OF FOUNTAIN PRAIRIE  
Monthly Board Meeting Minutes  
November 8, 2017

The regular monthly Board meeting of the Town of Fountain Prairie was called to order by Chairman Ron Huebner at 6:05 pm. Town Board members present: Ron Huebner, Steve Jacob, Dale Firary and David Liebenthal. Others present: Tom and Marcia Brown, Nathan Fietz and Linda Henning, Clerk/Treasurer.

Notice of posting. Agenda posted at Fall River Post Office, Fall River Farmers & Merchants Union Bank, Town Hall, sent via Town Email List and on the Town Website: <http://fountainprairie.us>.

Agenda item VI G - Approval of Culvert & Ditching on Doylestown Road was moved up. Chairman Huebner had a quote from the County for \$5,077.95. This would include digging out the ditch on Doylestown Road and resetting a culvert that the Brown's would pay for. This would also benefit others on Doylestown Road, because the water can be directed into the ditch to flow away. Motion by David Liebenthal with a second from Dale Firary to have the County dig out the ditch on Doylestown Road and reset a new culvert that the Brown's would provide for a cost of \$5,077.95. Motion approved with all in favor.

Motion by David Liebenthal with a second from Ron Huebner to move up Agenda Item VI E – 1 – New house for Nathan Fietz on Sauer Road. Nathan Fietz wants to build a new house while he is living in the house currently on the property at 3155 Sauer Road. He would then take the old house down. The Board was not sure if this was something that the County would approve. Motion by David Liebenthal with a second from Steve Jacob to approve of not taking down the old house at 3155 Sauer Road until a new one is constructed, if the County will approve. Nathan Fietz only wanted advisory approval. This will not happen for a couple of years. He will be living in the old residence while he is building the new one. Motion approved with all in favor.

Minutes – October 18, 2018. Motion by Steve Jacob with a second from Dale Firary to approve the minutes of the October 18, 2018 Town Board meeting. Minutes approved with all in favor.

Clerk's Report – The Clerk asked the Board if the Recycling Center was only for residents in the Town or if property owners could use it also. The Board advised that the Recycling Center was for the use of residents in the Town of Fountain Prairie only.

The State law is changing regarding commercial electrical work being performed in all Wisconsin municipalities. Starting January 1, 2020 any new or addition to existing commercial electrical work will be required to be permitted and inspected. Fountain Prairie has two options. 1) We can continue to have General Engineering perform these commercial electrical inspections. 2) We can allow the State, through a bidding process to, to determine the fees and assign an inspection agency to our municipality. It is the feeling of the Board that the Town stays with General Engineering and therefore, has some input into any fees charged.

Treasurer's Report –Board members reviewed the Treasurer's report. Motion by Steve Jacob with a second from Dale Firary to approve of the Treasurer's report as presented. Treasurer's report approved with all in favor.

October bills payable for November. Motion by Steve Jacob with a second from David Liebenthal to approve for payment checks 6302 through 6325 including **Electronic Funds Payments** for payroll liabilities and utilities paid on line. Bills approved with all in favor.
